

Letter of Invitation

Scandinavian Neuro-Oncology Society Meeting October the 11th – 12th 2007 in Copenhagen.

Welcome.

Dear colleagues and friends.

It is with great pleasure I invite you to the upcoming SNOG meeting in Copenhagen 2007. The meeting will take place at Radisson SAS Falconer Hotel & Conference Center. The main topics of the programme will be basic, translational and clinical research within Neuro-Oncology focusing on the importance of multidisciplinary character of Neuro-Oncology. The meeting will start October 11th at 12 o'clock, and end October 12th around 15 o'clock. There will be presentations of scientific papers primarily presented by young scientists. In the evening there will be a light dinner.

Professor Webster K Cavenee, Ludwig Institute for Cancer Research, San Diego, USA has accepted to give a lecture entitled: "**Defective Receptor Signalling in Glioma**".

A newly instituted SNOG award of 2.600 Euro will be given for the best presentation

Professor's Roger Henriksson, Knut Lotte and Hanna Mäenpää have all agreed to act as the scientific board helping me to finalize the program as soon as we have received the presenting abstracts and you will receive the final program approximately 2 weeks before the meeting.

Deadline for registration and abstract submission is September 1st 2007

I hope that everybody will participate and relate to each other both in terms of science and in terms of social interaction.

I look very much forward to welcoming you in Copenhagen in October 2007.

Yours sincerely,

Hans Skovgaard Poulsen
President
The Scandinavian Neuro-Oncology Society.
